

Hello,

My name is Ms. Gina. I am excited to have the opportunity to be your child's nursery school teacher this year!

I have been in child care for over ten years. I started in the N. Bellmore school district as a lunch aide & teacher's Assistant. From there I moved onto a private daycare setting for seven years. During the summer I worked at TLC.

I am a mom of three beautiful children, two boys and a girl. I have lived in Bellmore for the past 27 years. I love to garden, spend time with my family, and shop.

I am truly excited to be a part of your child's learning journey and look forward to a fun-filled school year.

Hi families! I wanted to introduce myself. My name is Lisa Davanzo. I grew up in Brooklyn and have lived in Bellmore for the last 22 years. I have one child who is nine years old and is going into fourth grade. This is my third year teaching at TLC Brookside. I am extremely happy and excited to meet everyone this year! I started as a teacher's assistant here for a year until I got the pleasure of teaching pre-K last year. I am also a talented makeup artist and hair colorist. I can't wait to have a great year!
