

**Welcome to
Twaddlers at
TLC Brookside
2021-2022**

Dear Parents,

Welcome to our Twaddler Room here at TLC Brookside.

My name is Massiel Bisono and I will be your child's teacher. I have been a member of the TLC family for three years. I am currently working towards earning my Bachelor's degree and am CPR and First Aid certified. I look forward to working with you and your children.

Miss Taylor will be working with me as well. She has been with TLC for three months and is working on her CDA.

In our Twaddler Room, we will be working on our fine motor skills and letting the children learn through play. We will also have them doing some cognitive learning as well as some communication and language skills.

We will be sending home daily sheets each night which will include any supplies needed. We ask that when you send supplies in for your child, please label everything with their name.

Please send in three changes of clothes (your child will have their own drawer at TLC). Please label everything.

Our menus can be found at www.tlcmerrick.com/menus. Please feel free to send in snacks and any food alternatives if your child does not like what is on the menu. TLC is a nut-free facility. If you send in any birthday treats, please be sure they are nut free.

We will take photos of the children and send them to you as time permits. If you need to contact us, please feel free to text or call our Director, Francina Cerrone, at 516-659-2247.

In this new normal that we are all getting used to, please feel confident that your child's health and safety are our first concern. If a child has a fever, they must be sent home and cannot return until they are fever free for 24 hours.

We are looking forward to a great year!

Miss Massiel

Parent Signature _____ TLC Staff _____

According to regulations, sleeping and napping arrangements must be made in writing between the parent and the program. Such arrangements shall include the area of the program where children will nap; whether the child will nap in a crib, cot or mat; how napping child is supervised, consistent with the requirements of OCFS.
