TLC Brookside

Meet the Teachers

Mrs. Gina

Hello, everyone! My name is Mrs. Gina, and I am excited to have the opportunity to be your child's nursery school teacher this year!

I have worked in child care for more than 10 years. I began my career in the North Bellmore School District as a lunch aide and teacher's assistant before moving to a private daycare, where I worked for seven years. During the summers, I also worked at TLC.

I am the proud mom of three beautiful children—two boys and one girl—and have lived in Bellmore for the past 27 years. In my free time, I enjoy gardening, spending time with my family, and continuing my education.

I am truly excited to be part of your child's learning journey and look forward to a fun-filled and rewarding school year!

Mrs. Nancy

Hello, everyone! My name is Mrs. Nancy.

I am a caring, patient, and dependable person who truly loves working with young children. As a mother of four, I have gained extensive hands-on experience caring for children, supporting their growth, establishing daily routines, and creating a safe, nurturing, and positive environment.

I am organized, dedicated, and enjoy collaborating with others. I am excited to learn new things, take on new responsibilities, and help create a classroom where every child feels valued, supported, and encouraged to grow and succeed.

Before getting married, I earned my degree in Electronic Engineering and worked as an electronic engineer. After my first son was born, I chose to become a stay-at-home mom until my youngest started kindergarten. I am thrilled to now bring my life experiences, passion for children, and enthusiasm for learning into the classroom.

Mrs. Tina

Hello, parents! My name is Christina (Tina) Breen.

I have been an educator of young children, ranging in age from 2½ to 5 years old, for the past 26 years. It has truly been a labor of love to work with children during their formative years and watch them grow socially, emotionally, and academically throughout the school year. Children bring so much joy, curiosity, and enthusiasm to the classroom every day.

I look forward to working with each of your children and having a successful, fun, and creative year together!
