

**Welcome to  
Big Nursery at  
TLC Brookside  
2021-2022**

Dear Parents,

All of the teachers working with your children in this upcoming school year have one goal: to make sure we teach your children with the best ability we can so they have the best chance to grow, develop, and succeed!

In this welcome packet you will learn about us, find things such as our daily schedule that contains the times for nearly every activity such as meal times, playtimes, and circle time where our children are taught anything from shapes to recognizing objects and their uses, along with a supply list.

If you have any questions throughout the year, please feel free to reach out to our Director, Francina Cerrone via text or email at 516-659-2247 or [tlcmerrick@verizon.net](mailto:tlcmerrick@verizon.net).

We are all looking forward to a wonderful year together!

## Meet the Teachers

### **Mr Kevin**

Hi everyone! I have been employed at TLC for about 4 years now, but have been employed in a few different childcare settings before my time at TLC. I am currently enrolled in college for education, and I am CPR, First aid, and MAT certified. I am very thrilled to be working with your children throughout this upcoming school year and cannot wait to see how much they will grow and succeed!
